

MENUMASTER[®] Commercial

McDonald's Heavy Volume Q-ing Oven

Heavy Volume

MenuMaster Model MC23MPW2 / MC23MPTW2

Power Output

- 2000 watts of power.
- 11 power levels for consistent, delicious results.
- Unique method of energy distribution provides superior even heating throughout the cavity.

Easy to Use

- Menu codes and boost heat times are preprogrammed for simplified and consistent cooking results.
- Four stage cooking option for one-touch operation. Reduces prep time, labor and food waste while providing consistent results.
- Controls are user friendly and require minimal training.
- Control automatically prompts user to enter quantity.
- Automatic Voltage Sensor accommodates 208 and 240 volts allowing easy installation.
- Ample 1.0 cubic ft. (28 liter) capacity provides easy, safe oven accessibility.
- Interior ceramic shelf is sealed and recessed to reduce edge impact and keep spills contained.
- Stackable to save valuable counter space.

Easy to Maintain

- Stainless steel exterior and interior for easy cleaning and a professional look.
- Constructed to withstand the McDonald's environment.
- Robust interlock switch assemblies provide maximum durability and reliability.
- Removable, cleanable air filter and clean filter reminder protects oven components.
- Removable splatter shield cleans easily.
- Full 2 year warranty.
- Backed by the ACP, Inc. 24/7 ComServ Support Center, 866-426-2621.
