Issue Interlock Switch Kit 12002647, replaces 59001154 Interlock Switch

Warranty N/A

Action The new kit includes an interlock switch and two screws.

Product
Com. Microwave

The new screws include a serrated belleville washer that is designed to prevent the interlock switch from shifting due to hard door closures. They also help to maintain switch placement integrity while securing the switch to the mounting flange.

Be sure to install the new screws whenever installing switch kit 12002647.
