**No:** TCM-0818-A  
ITCM-0818-A

**Product** AOC and MOC (OnCue Models)

Page 1 of 1

**Issue** New Antenna Shield for OnCue Ovens

**Warranty** Standard product warranty applies.

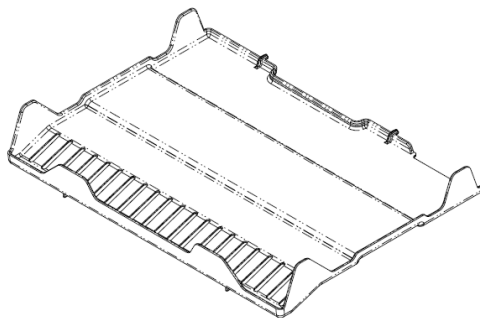

**Action** Effective with serial numbers **1807180146 and later**, OnCue ovens utilize a new, smooth black, permanently installed antenna shield.

**ALL SERVICE PARTS** will substitute to the new style shield Part #59184614.

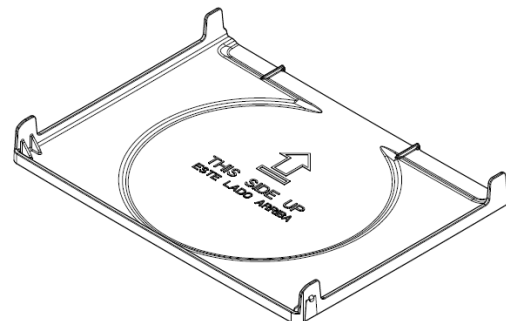

**Should the shield need to be removed in the future:**

- 1) Use a suction cup (Part #59001235 pictured below).
- 2) Attach the suction cup to the smooth, center section of the shield.
- 3) Press on the rear cavity wall and pull straight down on suction cup.

During installation, **DO NOT** press the center of the shield as antenna damage may occur.

**ORIGINAL - REMOVABLE (WHITE)**

**NEW - NON REMOVABLE (BLACK)**

**SUCTION CUP #59001235**
